

## HOW THE BOSTON BRAVES WIN BALL GAMES

Manager George Stallings.

I never play two games the same.  
A winning pitcher needs regular work.  
Don't rush a young player. Give him the time to master the big league methods.  
Confidence comes first. I tell my players they're the best team in the league.  
Walter Maraville is the greatest player to enter baseball since Ty Cobb arrived.  
We're trying to win every game, never thinking about the pennant.  
I can't say that I favor the hit and run over the sacrifice. Mix 'em up—that's my policy.  
Stealing bases alone will not always win—that's why I don't pay so much attention to the steal for my club.  
Christy Mathewson is a wonderful pitcher. If he isn't overworked, he's at his best with four or five days' rest.

## NOTES of the DIAMOND

Ward Miller has his job clinched with the Stoufeds.

Jack Glasscock is now working at his trade of carpenter in Wheeling, W. Va.

Al Wickland, formerly a Whale, is playing a great game in left field for the Rebels.

The Red Sox are playing a very aggressive game, and the breaks are all going against them.

Bill Donovan has released one of his catchers, but don't tell it to Sweeney; that is, personally.

Ten-cent baseball is all right enough, but the fan in the bleachers wants his ten cents' worth.

Why so many jokes about Umpire Byron, during games? The president of the League is a Toner.

Maybe that \$22,000,000 England sent to New York the other day is that much boasted Federal league war fund.

On the recommendation of Mike Finn the Detroit club has purchased Pitcher Babe Marshall from Chattanooga.

The truth of the matter is, ten-cent baseball has been played for a long time, but fans had to pay 25 cents to see it.

Sitting an aeroplane over a baseball park is a dangerous pastime. If Ed Roubach is pitching there is likely to be a collision.

Ivy Wingo's batting average is what his golf card ought to be, while his golf card is what his batting percentage ought to be.

Haddock and Herring are two pitchers on the New Haven Colonial league team. They do the article of ball put up in that circuit is fairly.

Wilbert Robinson says weight is not a handicap in baseball. He weighs about 300, but his Brooklyn club has come up like a cork.

After years of search a second Jake Daubert has really been discovered. That's his name, and he is a shortstop sold to the Pirates for \$500.

Generals in Europe have a little to excuse defeat. There are no umpires or officials in their game, so they blame it on "a lack of manliness."

## MILAN GREAT BASE STEALER

Washington Player Was Troublesome to White Sox in Their Attempt to Win 1908 Pennant.

Clyde Milan, center fielder of the visiting Washington Senators, is a valuable asset to the club. He has stolen many bases this season and is among the leaders in the American league. Milan also is leading the Washington club as a batsman.

This same Milan was troublesome for the White Sox in their attempt to win an American league pennant in 1908. By his base stealing and hitting that season Milan robbed the White

Sox of several close games. Near the close of the year, when each contest had a direct bearing on the race for the flag, Milan and Walter Johnson were the Senators who did the most damage to White Sox hopes. Milan is proving troublesome to Boston this season.

## Mack Stands Pat.

Frank Baker, slugging third baseman of the Philadelphia Athletics, is eager to join the White Sox, but Connie Mack says he is a standpat.

"Not for any amount will I part with Baker," says Mack. "He will play for me or for no one else in organized baseball."

## Hits John McGraw.

The 21-man limit in the National league this year has hit John McGraw harder than any of the others, because he cannot go out and buy players as he needs them. He did it before when he got down in the race.

## GLOOMY AT MICHIGAN

Yost Has Meager and Unsatisfactory Knowledge of Material.

Hughitt, Game Little Quarterback, and Five Prospective Stars Lost by Faculty Rulings—Maulbetsch Is Praised.

Coach Fielding H. Yost has a list of some fifty big, strapping youngsters in line for his 1915 University of Michigan football team—but whether there are 11 football players in the bunch is a serious question.

Probably never in the history of the famous coach's activities at Ann Arbor has he had any more meager and unsatisfactory knowledge of the material at hand than he has for his 1915 machine.

Far be it from Coach Yost to allow the wolf to howl at this early stage of the game, but facts are facts. In addition to losing such stars as Hughitt, the game little quarterback of the 1914 team, by graduation, "Hurry-Up" has been deprived of five of his prospective 1915 stars by faculty rulings.

The faculty has passed out the word that because of scholastic deficiencies, Lyons and Traphagen, "M" men, and Ewert, Johnny Dunn and Brown of the freshmen eleven, will not be eligible for the varsity.

"It's a pretty tough blow to learn that five men you counted heavily upon are not eligible," said Coach Yost.

"I have a long list of men who will be given invitations to try for the 1915 team. I know that there are plenty of big, powerful men among them but whether there are any football players in the making I can't say.

"You can't tell until you see a man in the big game whether he has football sense or not. If they can't think football under fire, they won't be stars. And you can never tell what a man will do in a pinch until he is actually under great stress.

"There are very few men coming back to me who have been given the

acid test. The material as a whole is about the greenest I have ever had."

Yost expects Johnny Maulbetsch the brightest star of the Meeshigan outfit last season, to be greater than ever this season, in spite of the fact that he had appendicitis during the winter.

"Johnny told me he was feeling fine," said Yost, "when I saw him in Ann Arbor recently, although he doesn't weigh as much as he used to. I look for him to even excel his work of last season. His work on the defensive will undoubtedly be improved, particularly in blocking and tackling."

Each one of the five men who have been declared ineligible will leave a hole that will be hard to fill. Lyons played a good end and backfield game and Traphagen was a powerful line-man. Ewert was without doubt the best lineman on the fresh team, playing at guard most of the time. Dunn, a former Ann Arbor high school star, was captain and quarterback of the first year men. Brown, former Detroit Central high school full-back, has been declared by former Coach Stocking to be one of the best backfield men he ever turned out—and Stock has turned out some corking good varsity material.

Coach Yost expects four tough battles this fall with the Michigan Agricultural college, Syracuse, Cornell and Pennsylvania.

## Wagner Against Double-Headers.

Hans Wagner refers to double-headers as head-on collisions. "One in a week is bad enough," says Hibus, "but three of them telescoped into four days keep any club or manager guessing. The best club in the business finds it hard to win two games in one afternoon. Double-headers isn't the right name, and I prefer to call them head-on collisions. Three in a row are too much like a smashup."

Cunboat Smith has replaced Jim Flynn as the official trial horse of the ring. Any fighter who can't beat Smith is assigned to the junk pile, where he belongs.

## MINCO TEAM TAKES SECOND FROM CUSHING.

Oklahoma City, Oct. 5.—Reinforcements received over night were sent into Monday's game for the state championship by both Minco and Cushing, but the west side relief proved more effective and Minco took the second game, 6 to 1. Since Minco won Sunday's game, too, the series has been decided in favor of the Grady county team; but hungry for revenge, the defeated have challenged the victors to a series at Cushing and both teams departed for the oil region Monday night to begin again Tuesday.

To Ned Pettigrew and Pitcher Fentress Minco owes Monday's triumph.

Pettigrew, fresh from the Three Eye league, knocked the ball over the centerfield fence his first time up, which happened to be in the second inning. A runner was ahead of him and the two runs thus scored proved enough to win, for Fentress yielded but two hits and the lone Cushing run was unearned.

## WHICH SHALL IT BE?

Do you intend to continue laboring, burning valuable fuel and destroying high priced food with that old, worn-out cook stove?

You KNOW that old stove eats up a lot of fuel each year.

You KNOW you have trouble in getting it to bake just right, in fact spoil a batch of bread every once in awhile—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation—THE GREAT MAJESTIC, malleable and charcoal iron RANGE.

You make no mistake in buying the GREAT MAJESTIC, its the range with the REPUTATION, ask your neighbors. Then, too, its made just right and of the right kind of material, MALLEABLE AND CHARCOAL IRON, riveted together practically air tight, lined with pure asbestos, parts being malleable can't break, has a moveable reservoir and an oven that doesn't warp, that's why the MAJESTIC uses so little fuel, bakes just right every day in the year, browns bread just right all over without turning, heats 15 gallons of water while breakfast is cooking, properly handled lasts a lifetime, and

Don't overlook this date. This is a special invitation to you and your friends and neighbors.

The first one hundred boys and girls who present to the MAJESTIC RANGE SALESMAN at our store between 3 and 5 p. m. TUESDAY, written answers to the following questions, will receive a "TANGO HOOP SOUVENIR" FREE.

1—What is your mother now using?  
2—Do you know anyone needing a new range? Who?  
3—Why should the GREAT MAJESTIC RANGE be in every kitchen?

The one giving the neatest and best answer to the last question may select any \$1.00 article from our stock, in addition to the SOUVENIR.

Don't be discouraged if you are not one of the 100 to get a Tango Hoop Souvenir. You will get a MAJESTIC PUZZLE CARD. Something for all the boys and girls.

Don't fail to get one of these Tango Hoops. It's a new and wonderful toy—amuses the old as well as the young. The Hoop dances forward, hesitates and returns to the operator. Children, it's great, and will be the talk of the town.

Be sure to have your answers ready to hand in at our store TUESDAY AFTERNOON between 3 and 5. They must be written answers—OTHERWISE YOU WILL NOT get a souvenir.

SPECIAL—All during this week a special demonstrator direct from the MAJESTIC FACTORY will be glad to show you "ALL ABOUT RANGES"—show you why the MAJESTIC is the best range on earth at any price.

COME, IF YOU INTEND TO BUY OR NOT. EDUCATION lies in KNOWING THINGS—KNOW why the oven of a range is heated—HOW the top is heated—WHY the MAJESTIC uses so little fuel—KNOW how a range is made inside and outside. This education may serve you in the future. DON'T OVERLOOK a chance to KNOW THINGS shown by one who knows. COME.
